

WHEELCHAIR TRANSPORTATION: KEEPING OUR STUDENTS SAFE

HOSTED BY THE CHILDREN'S THERAPY CENTER

WHAT PARENTS AND PROFESSIONALS NEED TO KNOW

WEDNESDAY, APRIL 30 @ 10 AM

THE CHILDREN'S THERAPY CENTER UPPER SCHOOL

Join us for a one hour presentation entitled "Safe Wheelchair Transportation in Pediatrics," led by Eli Anselmi, Product and Education Specialist at Convaid. Eli discusses WC-19 compliant wheelchairs/strollers and the need for WTORS (wheelchair tie-down and occupant restraint systems) use on the school bus.

RSVP to Lori Bruno by April 23, at 201-797-7440, x232, or lbruno@thechildrenstherapycenter.org.

**Learn how to keep
our children safe
on the school bus.**

**Find out why
wheelchair tie-
downs protect the
chair but NOT the
student.**

**Discover how to
select a wheelchair
that is safe for
transport.**

**We all play a part
in our students'
safety. What is
your role?**
